

2021 FALL MEETINGS

Sign up now to attend:
A Propane Industry Update Followed by:
“CETP Refresher Training”
**RIN Application Process, Regulator Placement
and Required System Test**

Industry Updates will include:

- What’s happening in Kansas and around the country?
- Kansas Safe Appliance Installation Rebate Program Update
- Kansas Senate Bill 24

CETP Refresher Certificates will be earned by attendees which meets the KSFM Training Requirement.

Plan to attend one of these informational district meetings by signing up today! Managers, drivers, service techs and office personnel will benefit by attending. Industry Updates will make you aware of ever-changing operations of your association and how the industry is fairing across the state
